

Little Leahi Soccer School

Leahi Soccer Club is proud to announce the start of our youth soccer program for boys and girls, ages 4-7.5 years old. We strive to create a learning environment that is both fun and challenging for our players. We encourage children to learn the game of soccer through age appropriate activities and games. This ensures proper emotional, social and physical development for your child, which ultimately helps them become better people.

****All sessions will be held from 4:45-6:15pm on Friday and Saturday afternoons (April 10 – May 23) at Kapiolani Park field # 4 (Paki Avenue side of park).**
